1. Do you feel like someone has your back, or do you feel like you are all alone?
2. What makes you feel this way?

#### Digging Deeper

3. Read Psalm 23:1-6 or access Pastor David's message at [broadviewchurch.com/media](http://broadviewchurch.com/media).
4. This Psalm was written by David, the king of Israel. If Israel's king needed a shepherd to watch over him, how much more do you and I need a shepherd?
5. David didn't write, "The Lord is Israel's shepherd" or "The Lord is their shepherd." Instead, what did he write?
6. According to this psalm, what is one thing the Lord does for us?
7. List two more things the Lord does for us according to this psalm.

#### Bringing It Home

8. Since the Lord provides for all of your needs, what should be your response to him today?
  9. Who is someone that you can pray for today who needs to understand that the Lord is their shepherd, too?
